

Wikki Shapes

Procedures:

- Using 4 Wikki Stix® create a circle, a rectangle, a square and a triangle.
- Take out 13 toothpicks and 13 marshmallows and create a rectangle, a square, and a triangle. (Talk about why you can't create a circle.)
- Using the Mighty Magnets® create a rectangle, a square, and a triangle. Try to create solid shapes, as well. (cube, pyramid, rectangular prism.)
